CALLED TO SERVE "TOTE THE CHEESE" - ROBBIE MORROW

We are called to Serve! Jesus modeled servanthood and we need to take our cue in ministry from Him. We are all called to serve and we cannot allow titles and positions to keep us from serving. Jesus said "For the son of man did not come to be served but to serve."

CARRYING THE VISION - ROBBIE MORROW

If you are serving on staff in any role your assignment is to align the vision of your ministry with the overall Vision of the church and your pastor! You cannot have a vision that is different or separate because that is called... DIVISION. We will talk about tangible ways staff pastors and leaders can do this while staying true to what God has called them to do.
