

Creek Chapter FCF

January 10, 2025

Dear School Administrator
RE: Frontiersmen Camping Fellowship

Thank you for your consideration of this Royal Ranger for an excused absence. He is a member of Frontiersmen Camping Fellowship (FCF), and as such, is eligible to participate in a statewide event beginning on January 10, 2025. This event is held annually with a very broad cultural and geographical cross-section of men and boys from all over the state.

The FCF is a service organization supporting the Royal Rangers Ministry. As a religious means of trying to serve the community, Royal Rangers strives to mentor young men from Ages 6 to 18. This activity is a special time of training, growth and experiences, and is a religious convention of the first order.

As an organization we strictly admonish our young men to give top consideration to their school work and education. School grades and performance are very important to us. We strive to see that he has a balanced education and experience to prepare for adult life. We work to build men mighty in spirit, strong and courageous, in order to build our country.

Would you please grant this request for an excused absence on the condition that he make up any study and work to fully acceptable levels?

Kindest Regards,

John Gilmer

President, Creek Chapter FCF

Alabama District
